## COVENT GARDEN SOCIAL HISTORY ARCHIVE

Dedicated to recording and preserving Covent Garden's life stories.

'It's vitally important to remember what Covent Garden looked like in it's previous life and I welcome any moves to support the social history archive'

Michael Palin,  
3rd June 2014

When you advertise on this website you will not only be advertising your business you will be helping to contribute to the building of the Covent Garden Social History Archive which is dedicated to the telling of the personal stories of Covent Garden's past, in film audio and photography - please go to [www.coventgardenpictures.com](http://www.coventgardenpictures.com) to find out even more.

It is planned that the Directory Pages will become the place to look to source Local Businesses in Covent Garden and the surrounding areas.

So this is the beginning and we would like to welcome you to be part of this new project - it's not expensive - just £25.00 per month will give you an Ad under the category heading of your choice with a link to your website.

Just fill in the standing order form and ask your bank to pay £25.00 on the first day of the next month to our bank and write your contact details and web address and we will do the rest. Your ad will appear on the [www.coventgardenpictures.com](http://www.coventgardenpictures.com) website Directory pages within 14 days of receipt of a completed form.

We will call you in order to come and take a photograph of your premises.

Thank you for being part of our project and we look forward to a long term business relationship with you in the future.
